

THE HUDSON BUS DIFFERENCE

We are a people-driven company!

National Service & Warranty Support

One call, that's all! Hudson Bus partners with Ford and Chevrolet dealerships, as well as many other service repair facilities throughout the U.S. Through this network, we provide our customers with service and warranty support for the bus chassis and body anywhere within the U.S. This includes any and all features and options the bus has such as A/C, wheelchair lift, etc.

Our People/Our Culture

We are a people-driven business. Our team of industry leading experts is committed to partnering with each customer to properly solve your transportation needs. We begin at the point of sale and continue throughout the life cycle of your bus ownership experience.

Fleet Preventative Maintenance Plans

Annual and bi-annual preventative maintenance plans are available through Hudson Bus upon request. These plans can be performed on-site or in our shop.

Roadside Assistance

Roadside assistance is provided on all new buses that are sold and built on Ford or Chevrolet chassis. This includes towing, battery jump, flat tire assistance, fuel delivery, and lock-out assistance.

Mobile Service

Hudson Bus offers mobile on-site service for warranty and non-warranty related service repairs. Contact us for applicable mobile service areas.

Extended Warranty Plans

Extended Warranty plans are available for new and pre-owned buses purchased from Hudson Bus.

Additional Services Available

Need custom paint and body work, bus refurbishment, or vehicle wraps design and installation? We offer these services and much more.

Rental Buses

Rental buses are available upon request for service and non-service related needs. (Ask about our no-cost rental for buses under warranty.)

Pickup & Delivery

Whether buying a bus or just needing service, Hudson Bus offers pickup and delivery straight to your door anywhere in the U.S.

Driver Training

On-site driver training for operation and maintenance is provided for all new and pre-owned buses sold and delivered. Additional on-site training for CDL, driver safety, and vehicle maintenance can be quoted and scheduled upon request.

Best Brands/Large Inventory

Name brand, new and pre-owned buses and vans in stock to fit every need and every budget.

Finance & Leasing

Hudson Bus offers very competitive and easy finance and lease options, from 24-84 months. Most deals can be done by simply submitting a one-page credit application, and approvals are typically done within 24 hours.
